

I am outraged that the Wisconsin no-call list is being challenged!! If I want a service I will contact the appropriate company. If I received a solicitation call from a telemarketer under no circumstances would I utilize their services. My phone has been delightfully quiet since the no call list became effective. Being disabled it is not always easy to get to the phone and intrusion into my privacy is NOT appreciated. Please do NOT WEAKEN our no call list. It is bad enough that I still have to deal with unsolicited porn/get rich quick schemes/and other spam on my computer--don't let telemarketers destroy me privacy. Thanks.
